

Stay ahead of the curve with ICHRA

With double-digit premium hikes frustrating employers, they are looking for a **health insurance solution that helps control costs and provide personalized coverage**. An Individual Coverage Health Reimbursement Arrangement (ICHRA) solves these problems by reversing the trend of rising premiums and allowing employees to chose their own plans.

ICHRA's triple-digit growth

+ 171%

Growth in the number of U.S. workers offered ICHRA by their employers from 2022 to 2023*

+ 144%

The increase of large businesses (50 employees or more) adopting an ICHRA solution from 2022 to 2023*

zizzl health clients love the options and we have the data to prove it!

21 Plans enrolled per employer, on average

7 Carriers used per employer, on average

The results speak for themselves

20%

What most employers **save on renewal costs** when switching to the zizzl health ICHRA model

99%

zizzl health clients who have renewed with zizzl health ICHRA since 2021

Bringing the dream of budget-friendly, hassle-free health plans to employers nationwide.
