## BROKERS (Real estate agents and city guides)

### Brokers own this city.

Brokers help employers build smarter benefits strategies and guide employees to options that fit their needs. Brokers stay in control of the journey from start to finish.

## EMPLOYERS (Property owners and business builders)

### Employers build with confidence.

Employers choose where and how to build in ICHRAville. From small businesses to large organizations, each employer selects a structure that fits their workforce and budget.

## Employees (Residents of ICHRAville)

### Employees find their perfect fit.

Employees are free to choose the coverage that works best for them. Each resident selects a plan that matches their health needs, preferences, and lifestyle.

In ICHRAville, everyone has a role. And everyone wins.
